3. Searching for Tender Documents

- i) After successfully logging in, bidder will be able to view the Dashboard of their profile. Click Search Active Tenders on the left side of the page to search the tenders.
- ii) Once the bidder has selected and preferred the tender they are interested in, they can select "My Tenders" menu, wherein the bidders can view and download the Technical Bid (Vol.I) and BOQ (Vol.II). This would enable the Tamil Nadu Govt. e- Procurement Portal, to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.
- iii) The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk (NIC).

4. Preparation of Bids

- i) Bidder should take into account any corrigendum published on the tender document before submitting their bids.
- ii) Bidders are requested to go through the NIT and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.
- iii) Bidder, in advance, should keep ready the bid documents to be submitted as indicated in the tender document and generally, they can be in PDF / XLS formats. Bid documents may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document.
- iv) To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g., PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use "My space or "Other Important Documents" area available to them to upload such documents. These documents may be directly submitted from the "My Space" area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process. Anyhow, over and above the documents available in "my space" option, it is the sole responsibility of the bidder to ensure uploading/submitting the required documents as called for in the tender.

v) The completed bid comprising scanned copy of necessary technical and commercial documents should be uploaded on the website along with signed and scanned copies of requisite certificates, mentioned in the different sections in the tender document, with necessary attestation wherever called for, in the tender.

vi) The bidder should submit the bid in two volumes:

The first volume relates to Technical Bid submitting all the required details and documents complying with all the eligibility conditions and the other tender conditions/instructions in PDF Format.

The second volume relates to Financial Bid (BOQ) furnishing the Lumpsum rate / KL (ie., for 1000 Ltr).

5. Electronic submission of Bids:

The bidder shall submit online the requirements under qualification criteria, the Technical Documents required and Price Schedule/BOQ. All the documents are required to be signed digitally by the bidder. After electronic online bid submission, the system generates a unique bid reference number which is time stamped. This shall be treated as acknowledgement of bid submission.

6. Procedure for submission of bids:

i) Bidder should log into the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.

ii) After successfully logging in, bidder will be able to view the Dashboard of their profile. Click Search Active Tenders on the left side of the page to search the tenders.

iii) A tender searched using "Organization" search criteria can be made as "**Favorite**". Check the field under favorite and click Save. The tender is made as your favorite. The tenders gets moved to "My Tenders". Click My Tenders from the menu in the left side of the page. The tenders made as favorite gets displayed. Click View to view the details of a particular tender

iv) The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.

v) Bidder has to select the payment option as "pay online" to pay the EMD amount. Only after payment of EMD, bidder will be able to encrypt/upload their bids. In order to avoid last minute lapses, it is recommended to make payment and submit the bid as early as possible. The contracting authority is not responsible for any sort of difficulty faced/failure in submission of bids online by the bidder.

vi) A BOQ format for the price bid has been provided with the tender document to be filled by all the bidders. Bidders are requested to note that they should necessarily submit their financial bids in the BOQ format provided and no other format is acceptable. Bidders are required to download the BOQ file, open it and complete the coloured (Unprotected) cells

with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the file name. If the BOQ file is found to be modified by the bidder, the bid will be rejected.

vii) The server time (which is displayed on the bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.

viii) All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid openers' public keys.

ix) The uploaded tender documents become readable only after the tender opening by the authorized bid openers.

x) Upon the successful and timely submission of bids, (i.e. after clicking "Freeze Bid submission" in the portal) the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.

xi) The bidder is responsible to ensure they have sufficient time to submit an electronic bid prior to closing date and time including the payment of any fees including the Bid security and getting e-receipt. Contracting authority is not responsible for any failure, outside their control.

xii) TICEL Bio Park may, at its discretion, extend the deadline for the submission of bids by amending the bidding document, in which case all rights and obligations of TICEL Bio Park and bidders subject to the previous deadline shall thereafter be subject to the extended deadline.

7. Late Bids

The Electronic bidding system would not allow any late submission of bids after due date and time as per the server time. *The server time shall be treated as final and binding. If any bid reaches the server after the bid closing time as per the server time, the same will not be recorded and no complaints in this regard shall be entertained.*

8. Modification and withdrawal of bids:

i) Bidders may modify their bids online before the deadline for submission of bids.

ii) In case a bidder intends to modify his bid online before the deadline, the bidder need not make any additional payment towards the cost of bid processing. For bid modification and consequential re-submission, the bidder is not required to withdraw his bid submitted earlier. Modification and consequential re-submission of bids is allowed any number of times. The last

modified bid submitted by the bidder within the bid submission time shall be considered as the bid. For this purpose, modification/withdrawal by other means will not be accepted. The bidder may withdraw his bid by uploading his request before the deadline for submission of bids, however, if the bid is withdrawn, the re-submission of the bid is not allowed.

iii) No bid may be modified after the deadline for submission of Bids.

9. Assistance to Bidders:

Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority for a tender or the relevant contact person indicated in the tender.

Any queries relating to the process of online bid submission or queries in general may be directed to the 24x7 Central Public Procurement Portal Helpdesk.

10. TICEL does not bind itself to accept the lowest or any tender and reserve to itself the right to accept or reject any or all the tenders, either in whole or in part, without assigning any reasons for doing so.

11. Offers of Bidders who are under suspension / termination / banned / blacklisted by any PSU / Govt. Dept. or otherwise shall not be considered / accepted.

12.

13. a) The tender form must be filled in English. If any of the documents is missing, or unsigned, TICEL, in its discretion may accept / reject the tender. All the pages of tender including prebid clarification are to be signed and uploaded. Missing of any pages will lead to rejection of tender at initial stage itself.

b) Any items left unpriced shall be deemed to be included for elsewhere in the BOQ or the schedule and hence the rate for that item will be taken as Nil. No unsolicited advice of any change in rate or conditions after the opening of the tender will be entertained.

c) The rate quoted includes all expenses, cost of Manpower, equipment, & Stationery etc., including overheads and profits for the lumpsum prices quoted in the Bill of Quantities. The rates quoted should be **exclusive of All Duties & Taxes.**

d) Each page of the tender documents should be signed by the person or persons with seal of authority submitting the tender in token of his/their having acquainted himself/themselves with the General Conditions of Contract, Specifications, Special Conditions, etc., as laid down. Tender documents not so signed will be rejected. Any additions/ deletions/corrections/ omissions/modifications/clarifications in the tender document will be intimated to the tenderer at the time of pre-bid meeting and the same will also form part of the tender document.

14. Earnest Money Deposit

- i. Intending Tenderer should pay an EMD amount as specified in the Tender Contract Data.
- ii. Online payment gateway has been enabled for TICEL Bio Park Ltd. in TN Tenders Portal. All the payments for the tenders will be carried out by bidders only through online payment mode. Bidders shall select the option for payment of EMD as Online [download the PDF document SI.10: Online payment Procedure-Online_Payment_Procedure_TN.pdf available from the website <https://tntenders.gov.in/> under Bidders Manual Kit. The Bidders Manual Kit is available in Right Side Bottom of the Home Page. The bidders should follow the Instructions step by step for online payment submission].
- iii. The EMD amount should be the exact amount and no excess or less amount should be transferred through online payment gateway. If excess or short, the tender status will be shown as invalid.
- iv. The EMD will not carry any interest.
- v. In order to avoid any issues and last minute delay in processing of payment online, bidders should ensure payment of EMD, 72 hours in advance. TICEL will not be responsible for any sort of difficulties or delay faced by the bidder during submission of bids online, due to local issues.
- vi. In respect of the successful tenderer, the EMD shall be returned (without any interest) by TICEL BIO Park Ltd. on submission of Security Deposit.
- vii. Any other mode of payment of EMD shall not be accepted.

15. Online payment mode

- i. During online bid submission process, bidder shall select SBI MOPS option and submit the page, to view the terms and conditions page. No offer shall be withdrawn by the Tenderer in the interval between the deadline for submission and the expiry of the period of validity specified / extended validity of the tender.

23. Tender OpeningOpening of Technical Bids (Vol-I):

The Tender offer except price Bid will be opened electronically on the date & time notified by TICEL Bio Park Ltd., through <https://tntenders.gov.in/>.

Tenderers need not visit this office during tender opening, whereas tenderers can witness the tender opening event through their login.

Opening of Price Bids (Vol- II):

The date and time of opening of Price Bids shall be later notified through registered e-mail to the Bidders who fulfill the pre-qualification criteria and whose bids are found to be technically acceptable.

In the event of the opening day of the tender if declared as a holiday / closed day /or if tenders could not be opened due to unforeseen circumstances on that day, such as force majeure, the tenders will be opened on the next appointed time and date to be notified later.

24. Information required and clarifications

In the process of examination, evaluation and comparison of tender offers, TICEL may at its discretion, ask the Tenderer for a clarification of the offers. All responses to requests for clarifications shall be in writing to the point only. No change in the price or substance of the offer shall be permitted.

TICEL will examine the tender offers to determine whether they are complete, whether any computational errors have been made, whether required documents have been furnished, whether the documents have been properly signed and whether the offers are generally in order.

The Tender offers shall be deemed to be under consideration immediately after they are opened and until such time official intimation of award / rejection is made by the Tender Accepting Authority to the tenderers.

The Tenderers shall not make attempts to establish unsolicited and unauthorized contact with the Tender Inviting Authority, Tender Accepting Authority or Tender Scrutiny Committee after the opening of the tender and prior to the notification of the award and any attempt by any tenderers to bring to bear extraneous pressures on the Tender Accepting Authority shall be sufficient reason to disqualify the tenderer.

Mere submission of any Tender offer connected with these documents and Specification shall not constitute any agreement. The tenderer shall have no cause of action or claim, against TICEL for rejection of their offer. TICEL shall always be at liberty to reject or accept any offer or offers at its sole discretion and any such action will not be called into question and the Tenderer shall have no claim in that regard against TICEL Bio Park Ltd.

25. Negotiation

The TICEL will adopt a comprehensive methodology for evaluating the tenders received for the said works. The Tenderer who submits the lowest bid without any conditions and who confirms to the tender conditions in totality without any deviation and accepts to complete the said works will be given the highest preference, subject to there being no disproportionately low rates quoted by the lowest Tenderer for any of the items.

In case, two or more technically qualified bidders quote the same amounts in the Financial/Commercial Bid, which is the Lowest (i.e. L1), then the tender would be awarded based on the assessment of PQ conditions.

The TICEL reserves the right to discuss / negotiate with the lowest Tenderer towards

achieving conformity with the tender conditions. The Tenderers should note that the TICEL reserves the right to reject any conditional tenders and the decision of TICEL on such matters shall be final & binding on the Tenderers.

26. General

- i) On receipt of Letter of Award (LoA) from TICEL within 7 days, the successful tenderer shall be bound to implement the contract with TICEL and sign an agreement in accordance with the draft agreement and the Schedule of Conditions but the written acceptance in the form of Letter of Award (LoA) by TICEL Bio Park Ltd. will constitute a binding contract between TICEL and the person/contractor submitting the tender, whether such formal agreement is or not subsequently executed.
- ii) All compensation or other sums of money payable by the Contractor to TICEL under the terms of this Contract may be adjusted/deducted either from payment of amount due or by call of performance guarantee if the amount due is not sufficient or such adjustment and the contractor fails to make good in cash, the amount within 10 days of intimation to do so by TICEL.
- iii) The Contractor shall not assign the Contract to any Sub-Contractor. No portion of the Contract shall be given on sub contract except with the written consent of TICEL. Such consent shall be given only for works of extra-ordinary nature and the same shall be provided by the contractor to the satisfaction of TICEL. In case of breach of these conditions, TICEL may serve a Notice in writing to the Contractor / rescinding the Contract whereupon the Performance Bond shall stand forfeited to TICEL, without prejudice to its other remedies/rights against the Contractor.
- iv) The Contractor shall carry out all the work strictly in accordance with Documents, details and instructions of TICEL's Representative. If any changes are desired by TICEL, the Contractor shall carry out the same without any extra charge. TICEL's decision in such cases shall be final and binding on the Contractor.
- v) The Schedule of Quantities is liable to alterations, omissions, deductions or additions in the scope of work and items of work at the discretion of TICEL.
- vi) While making the tender, the tenderer should keep his rates firm till the completion of the contract period and no price variation shall be considered for any reason.
- vii) The successful tenderer must note that all performance of the job shall be strictly in accordance with the requirements and fulfillments of the local/public authorities, statutory approvals and to the requirements of TICEL and no deviation on any account will be permitted.
- viii) The total rate quoted will be considered for the purpose of deciding the competitive tender.
- ix) The Contractor shall strictly comply with the provision of safety code. The Contractor shall keep TICEL fully indemnified against any claims or liabilities arising out of Contractor's lapse in safety practices.

27. Final Decision-Making Authority

SPECIAL CONDITION FOR THE SELECTED TENDERER

Name of work : POTABLE WATER SUPPLY TO TICEL BIO PARK

Tenders are invited for the supply of water from own sources with the following specifications and conditions:

1.Contract Period:

The contract period is for One year from the date of LoA.

2.Specification:

Supply of potable water through water tanker from their own/Leased water sources to TICEL BIO PARK at Taramani, Chennai including cost of water from own/Leased source, hire charges for tankers, filling, transporting and unloading the water at TICEL. The rate is all inclusive subject to condition that the supply of water at TICEL will only be recognized and measured.

3. Quantity in litres and period of supply:

During the period of One Year, a maximum quantity of 225 KLD has to be supplied as and when required and intimated to you by TICEL.

The contractor shall have minimum five tankers and water source at his disposal so as to supply a minimum quantity of 2.25 lakhs liters of water as and when required by TICEL. Short supply of water will be treated as non-performance of Tender conditions and TICEL may take appropriate action on this matter. If the contractor fails to supply the required quantity as informed by TICEL, TICEL will organize to get the adequate quantity by utilizing other agencies. The difference in cost will be recovered from the contractor.

4. Contract Period:

The contract period is one year from the date of LoA. The contract period may be increased or reduced by TICEL by written notice.

5. Tanker:

- Only Closed elliptical water tankers will be allowed. The tanks fitted to the chassis should confirm to the norms of petrol tankers hired by Petroleum Corporation. Extra steel plate should be provided over the top surface of the tank to avoid spilling of water while the vehicle is plying on the road. Ladder should be provided in the rear side of the tank.
- The tanker of 10000 liters / higher capacity or with marginal variation alone will be considered.
- The gross weight of the tanker including 10000 liters of water filled therein should not exceed the registered laden weight (RLW) prescribed in the RC book of

that particular vehicle.

6. Other Conditions:

- The quoted rate shall be firm throughout the contract period inclusive of all expenses if any. Escalation of rates will not be considered under any circumstances.
- The contractor shall observe, perform, comply and shall carry out to complete the works in every respect to the full satisfaction of M/s. TICEL BIO PARK or his authorized agency.
- M/s. TICEL BIO PARK or their authorized agency shall have the right of access to the water sources and other places to inspect the water quality if necessary.
- Test Certificate of the water of the source selected should be furnished along the tender. The Successful tenderers should furnish the test certificate whenever call for by TICEL. The test results should satisfy the permissible limit as per IS code.

7. Licences:

Driving crew with valid Heavy vehicle Driving License shall observe all statutory rules and regulation including traffic rules. Possessing necessary statutory licenses/approvals in respect of drawing of water from their own/Leased source is the responsibility of the contractor and TICEL will not be held responsible in any manner for violations, if any by the driving crew or by the contractor in these regards.

8. Discipline:

- i) The contractor is fully responsible to the TICEL BIO PARK Ltd. for perfect discipline and good conduct of the driver/cleaner who should function without giving room for any complaint whatsoever. The contractor should change the driver/cleaner if ordered to do so and decision by TICEL in this regard shall be final and shall not be questioned by the contractor.
- ii) The water tanker should be driven within the speed limit as prescribed in traffic rules.

9. Damage:

The contractor will be responsible for all liabilities due to accidents or damage caused to properties including loss of life of any public or employees in TICEL Bio Park Ltd or Contractor's employee and if required, the quantum of damages may be deducted from the bill amount payable to the contractor. The tankers should have valid insurance and it is Contractor's responsibility to ensure this.

10. Leakage:

- i) The tanks mounted on the chassis and all connected pipes, pumps, valves etc., should be free of leaks. The contractor at his cost should rectify any leak that develops during the contract period immediately.
- i. The container should at all-time be kept neat and clean. The valves provided in the tanker should be watertight and make of the valves fitted should be of standard one and with ISI mark. The tankers should have internal baffles to avoid water surge (2 baffles will be necessary)
- ii. If the tanker is noticed to be in operation with leaking condition, the vehicle will be stopped immediately and will be allowed for operation only after rectification of leak. If the leak occurred frequently, the transporter should replace the tank otherwise the vehicle will be stopped from operation by TICEL and incase the contractor does not bring new tanker in replacement to meet the demand of TICEL, TICEL has all the right to cancel the contract on this ground.

11. Separate Contract:

TICEL the right to let other contracts in connection with the work under similar general condition, in case the contractor fails and neglect supply of water within the period specified in the order. The supply of water shall be carried out at their risk and cost without any notice to the contractor, and any excess cost incurred due to engaging alternate

agency shall be recovered from the bills, security deposit or any other amount due to the contractor. The contractor shall be liable for all charges and expenses that may be sustained or incurred by the TICEL BIO PARK Ltd. for not carrying out the work on the part of the contract. The contract is non-exclusive and TICEL BIO PARK Ltd., reserves right to appoint additional contractor to meet the water requirement.

12. Insurance:

All insurance covers such as Comprehensive All Risk Policy, Policy to cover workman compensation, Third Party Liability etc., shall be the responsibility of the Contractor.

13. Safety Code:
